## EXPERIENCE

### **Front-End Developer**, Sagepath Inc; Atlanta, GA. — Feb. 2015 - Present

Over the past year, I have worked on numerous projects ranging from static site updates to Wordpress custom templates to Javascript based web applications.

### **Web Intern**, Downtown Orlando Partnership; Orlando, FL. — 2014

While Interning at the DOP, I managed and updated their Wordpress site, improved the site's responsive design, and created graphics and brand collateral.

### **Web Intern**, Church Street District; Orlando, FL. — 2014

Tasked with managing Social Media, Wordpress site content updates, and creating HTML Emails for their monthly newsletter. I also had the opportunity to create print graphics for social event.

### **Warehouse Manager**, Wonderland Gift Shop, Longwood, FL. — 2010 - 2014

Over my four years, I did a little bit of everything. From deliveries to running school assemblies, and eventually became A.M. Warehouse Manager where I oversaw daily restocking, filling orders, and inventory of new shipments.
